UCI send out their new testing consortium fees to the Village for approval. Mayor Turpin read the contract and fees to the trustees. Mayor Turpin presented the board with pictures of the snow plow blade from the Andy Fairless. The trustees do see there is wear and tear, however, would like to see it used for a while longer. The trustees suggest that Andy take it into someone who welds to see if anything can be done to mend it temporarily.

Mayor Turpin reached out to the attorney regarding the roof bid, but has not heard back. He did suggest that possibly the bid could be split into two which would allow the Village to fix half of the roof now, and the insurance building's half in a year or two. Andy is rescheduling a meeting with him to discuss the bid in more detail.

Trustee Wyatt Smith asked if there was anything that could be done to help the excessive amount of tar bleeding in the roads around town. Mayor Turpin said Nick and Andy can lay sand or rock down to help absorb it and will have them do that this week.

Wyatt Smith made a motion to adjourn. Amanda Ahlers seconded the motion. The voting was as follows: Abby Flynn-yes, Wyatt Smith-yes, Sarah Carter-yes, Vickie Adkins-yes, Amanda Ahlers-yes. The motion was carried. The meeting adjourned at 7:09 pm.
